

## Dona Ermelinda Grande Reserva 2013 Regional Península de Setúbal Grande Reserva

**VARIETIES** Touriga Nacional 25%, Touriga Franca 10%, Aragonês 20%, Trincadeira 15%, Cabernet Sauvignon 15%, Syrah 15%

**HARVEST** Late September

**ORIGIN** Vineyards in the Setúbal region

**SOIL** Lime-clay

**CLIMATE** Mediterranean

**VINIFICATION** Fermentation in stainless steel vats with cold maceration of 7 days, followed by skin maceration for 15 days. Aged for 18 months in French oak half barrels, followed by a 18 months rest in bottle.

**RECOMMENDED STORAGE TIME** 15 years

**TASTING NOTES** A garnet-coloured, almost opaque wine, with aromas reminiscent of dark fruit, spices and smoke, and hints of jam due to the lengthy period of maturation. Dense, full on the palate, and well structured. Tannins are present and well integrated. A finish that is long-lasting and persistent.

**ALCOHOLIC CONTENT** 15% vol.

**TOTAL ACIDITY** 5.80 g tartaric acid/dm<sup>3</sup>

**PH** 3.50

**RESIDUAL SUGAR** 3.6 g/dm<sup>3</sup>

**OENOLOGIST** Jaime Quendera

**HISTORY** A unique and rare wine made out of the finest grapes of the finest vineyards in the finest "terroirs". With very low yield (under 2000 Kg/hectare) in an exceptional year, this wine is meant to differentiate and be a reference of the most modern plantations of Casa Ermelinda Freitas in the Setubal region, where Castelão has always been the predominant grape.
